Dear Mr Thomas.

I type was in to print a theme on which would a very valuable Yale communicated. I had written it would be wanted for some considerable time to come, and had hoped to put some idea on which to base a title. I find myself so stupid and dull as to be unable either to think out a plot or write with any brightness. I believe I shall never be able to do anything but compilation any more; and I think the best thing that can be done in the matter is to cancel me at.

Yours very truly

for Surgeon of Middlesex Hospital

Amesbury
23d Sept.r 1848

My dear Sir

I had the pleasure
of receiving your letter some
time since asking me to vote
in favor of Mr W. L. Anderson
at the Middlesex Hospital
to which he is a candidate for
the situation of assistant Surgeon
In cases of this kind I
have generally enquired who the
Medical men of the Hospital
supported & voted for that

candidate & I hear Mr
Anderson is likely to have
their support — I shall
take care to keep your application
in mind & very glad if I find
I can meet your wishes —
Believe me
Very Truly Yours
